CANTEEN

To go into the canteen, we must queue in the waiting line. They take 20 people from each column, it's very long to wait. When we enter the canteen, we scan our canteen card. For the menu, there is a lot of choices. There are different meals, for example there are always vegetarian meals or we can also find fish. For dessert, there are always fruits, and yogurt one out of every two meals otherwise it's cheese.

The menu of Thursday is: as a starter, it's quiche Lorraine or leek quiche, the main course is spaghetti bolognese or vegetarian spaghetti, next there is cheese and salad, and for dessert it is an ice-cream and a fruit.

We can eat between 11:30 am and 2:00 pm. The rules of the canteen are:

-When we don't have canteen card we eat at 12:05 am or at 1:15 pm, or at the end of service if we finish classes at 12:30 am.

- Phones and headphones, are forbidden except if it's prescribed by a doctor.

-We must have a good behaviour.
